

THE LEADER IN REMOTE ASSET TRACKING

Evaluation and Development Kit Options

Evaluation Kit:

Enables users to efficiently evaluate and demonstrate QUAKE's modem capabilities.

Includes:

- Modem
- Cable Interface
- RF Antennas
- Turnkey Application *
- Technical/Training Support: 2 hours
- Satellite Airtime: 60 days

- Q-Pro**
- SAT, GSM, GPS, I/O, CAN 1939, IP67
 - Programmable

- Q4000**
- SAT, GSM, GPS, I/O, CAN 1939,
 - Programmable

- Q1000**
- Orbcomm Transceiver
 - 9 - 18V Input Range

- Q9612**
- Iridium Transceiver
 - 9 - 18V Input Range

- Q-Puck**
- Integrated Iridium Transceiver
 - 5V Input Range

- 9602**
- Iridium Short Burst Data Transceiver
 - 5V Input Range

- 9603**
- Smallest Iridium Short Burst Data Transceiver
 - 5V Input Range

Development Kit:

Empowers users to program and develop an application using "C" code. QUAKE's Development Kit is available for both Q4000 and Q-Pro dual-mode capable modems.

Includes:

- Modem
- Cable Interface
- RF Antennas
- Turnkey Application
- Demo Application Samples
- QUAKE Configuration Tool
- API Libraries
- Development Environment and Compiler
- Technical/Training Support: 10 hours
- Satellite Airtime: 60 days

- Q-Pro**
- SAT, GSM, GPS, I/O, CAN 1939, IP67
 - Programmable

- Q4000**
- SAT, GSM, GPS, I/O, CAN 1939,
 - Programmable

Q-PRO and Q4000 ADVANTAGES

- Customizable dual-mode Orbcomm/Iridium/ Globalstar/GSM with GPS
- Programmable stand-alone solution
- Configurable individual inputs for monitoring sensors and selected interval reporting
- Able to set automatic alarm conditions
- Environmentally sealed with IP67 enclosure
- Messages can be programmed:
 - on a regular schedule
 - by exceptions
 - combination of both

* NOTE: Not available on all evaluation and development kits

Product Part Numbers:

Product Name:

QPro w/ GSM, GPS, Orbcomm
QPro w/ GSM, GPS, Iridium
QPro w/ GSM, GPS, Inmarsat
Q4000 w/ GSM, GPS, Orbcomm
Q4000 w/ GSM, GPS, Iridium
Q1000
Q9612
Q-Puck
9603
9602
9523

Evaluation Kit:

1137-5031
1137-5033
1137-5038
1135-5031
1136-5031
1120-5035
4000-5030
1137-5038
4000-5034
4000-5035
4000-5031

Development Kit:

1137-5030
1137-5032
1137-5037
1135-5030
1136-5030

Q4000 Evaluation Kit

Q-Pro Development Kit

Services Available:

Whether it is the Evaluation Kit or the Development Kit, if you need further assistance, QUAKE's Customer Support team provides technical, software and hardware support.
